

## STIF Definition of Poverty

The committee confirmed the poverty rate threshold for Hood River County to be defined as Census block groups within the County that have 30% or more of households with an income level that is 200% or less of the federal poverty standards.

The specific census block groups and census defined places (e.g. incorporated cities) that meet the Committee’s definition are shown in the below table and maps from the 2017 American Community Survey. The darker blue rows in the table correlate with the darker blue sections on the map and the lighter blue rows in the table correlate with the lighter blue sections on the map.
